Host a Rabbi

If you want to get to know (or get to know *better*) our new student rabbi or returning summer rabbi, you can invite them to your house for dinner!

Our summer rabbi will be available most of the week throughout the season, and our student rabbi will be available on Saturdays this fall. This is a nice way for the rabbis acclimate themselves to our community and for our community to get to know our rabbis. Please feel free to give them a call and make arrangements; their phone numbers are listed on the front page of each newsletter on the left-hand side.
